Strikes Idiotic, Barbaric

There is little likelihood that the tire strike will be settled as this is being read.

The results of the strike is a tire shortage that will cost Americans millions of dollars in higher prices as the shortage grows.

Already, auto manufacturers are eliminating the spare tire from autos that are now selling at record prices.

The tire strike is but one symptom. Following that, there will be other strikes.

This indicates that the natural fallout of strikes is higher prices for the consumer. It is not intended to prove that elimination of strikes is the elimination of inflation, but it doesn't take much intelligence to see that the whole process of striking and strike settlement is idiotic and barbaric.

To begin with, both sides know when the existing contract expires. A look at the calendar will tell how many days or weeks are left to work out a new contract before the old one expires.

But labor union leaders would have no claim to their jobs if they did not insure that strikes would occur from time to time.

For some strange reason, the existence of a strike is taken as proof by the rank and file that their bosses are earning their pay, according to a report released recently by the U.S. Press Assn.

Management, USPA suggests, is showing equally uncivilized customs, seems to feel that it must resist the union, and must turn down all demands — at least one time.

Both sides have come to feel that bargaining really can't take place unless a strike is on, and that it is less honorable to settle a dispute swiftly and peacefully.

What makes this process so idiotic in this day and time is that neither side will be seriously hurt by the strike. And neither side will end up paying the bill.

The laborer receives various forms of unemployment compensation when he is on strike. And management has long since learned that it can pass on new, higher production costs to the consumer. Once raised, there's little likelihood of prices coming back down.

In short, the buying public suffers from the strike, both directly and indirectly. It ends up footing the costs where the strike involves nationwide industries and nationwide unions.

Instead of forcing the public to accept the penalty imposed by strike, why not require, by law, both management and labor to reach an agreement before the old one expires?

If they do not, law should require a fine on both sides of such massive proportions that both sides would settle down to serious bargaining in a hurry.

It is sinful that citizens must pay for management-union dilly-dallying.

The massive fine could be levied in behalf of the public, local and general, to compensate for the suffering of the people when the end-of-the-rope bargaining fails and shortages and higher prices are foisted upon them.

This approach would not deny collective bargaining. It would just put it in a civilized framework.

Most importantly, it would protect the public from being the victims of the self-interest stupidity of both management and labor.

Ronald Reagan on Moral Standards

If logic could muster a majority in our legislatures and our courts, we would have no difficulty in reaffirming the moral standard that helped shape America. The permissive philosophy cannot stand up to the test of logic.

East County Featured At S. Cal Exposition

DEL MAR — East County communities will contribute an unprecedented number of performers to the Special Events Division's entertainment program of the S. Cal. Exposition June 22-July 5.

The program of almost continuous acts on a variety of stages is in addition to the big-name entertainment on the grandstand stage twice a day, according to Special Events Director Bill Arballo.

First to perform from the East County area is the Aloha Maidens of La Mesa who will appear several times each day. Also scheduled daily is Marie Hitchcock, the Puppet Lady of Spring Valley.

Opening day, June 22 and again on the next day, El Cajon's Park and Rec. Dept.'s dance exhibition will be staged.

Lyn's School of Dance, Spring Valley, is booked for June 24 as is La Mesa's Park and Rec.'s variety show. La Mesa appears again July 1.

Three East County groups are scheduled on June 25: Miss Ginger's Dance Boutique, Lake Murray's Dance Academy and the Lakeside Dance Centre. Sam Kuaho offers a karate demonstration June 26 and the Walker Dance Studio of Santee follows with its show.

La Mesa's Jean's Dance Studio performs June 27 followed by Bunny's School of Ballet. The Ann Russell Dancers of Jamul entertain on June 29 as does the Samahan Philipino Dance Co.

La Mesa's Patricia Knight's Studio and El Cajon's Dance Carousel are featured on July 2. On July 3 the Kealoha O Kalani Hawaiian show, Lakeside and El Cajon's Coyle Dance school are to be staged.

Three East County programs are on the Expo's concluding day. Santee's International Folk Dancers, Hawaiian Cananine school of Lakeside and El Cajon's Hardy's Obedience Trained Mixed Breed Dog Show wraps it up.

Curtains Taken

Marie McClelland reported that the rental building she owned was burglarized of 7 sets of curtains with a loss of $500.

The building, at 2203 Dalecrest, Spring Valley, was entered while she was away, she told officers on May 1.

Tools Are Missing

A thief entered the unlocked garage of John Daniels at 8336 Golden ave., Lemon Grove while he was sleeping in the house, he reported to sheriff's deputies on May 1 at 3:45 p.m.

Tools he valued at $260 were taken.

Incorporation Committee Frustrated

Letters to LAFCO Urge Opposition to LG City

A letter writing campaign in the unincorporated neighborhoods sandwiched between Highway 94 and the San Diego and La Mesa city borders continued this week, as a hearing on Lemon Grove's proposed north boundary draws near.

The campaign is taking on characteristics of an informal referendum as more residents of Vista La Mesa and surrounding unincorporated tracts tell the Local Agency Formation Commission (LAFCO) how it should act on the question of Lemon Grove's proposed north boundary.

Hearing June 7

LAFCO will hold a hearing June 7 at 9 a.m. to gather public comment and then decide on whether to move the Lemon Grove border north to University ave. (La Mesa cityline) or make an alternate suggestion. An alternative will mean further election relays.

At least one member of the Lemon Grove Incorporation Committee is frustrated by the organized drive to oppose Lemon Grove's fourth bid at cityhood. Attorney Jim Dorman said the committee was taken by surprise by La Mesa city officials and residents of Vista La Mesa who have attempted to throw obstacles in the path of the movement.

The committee will meet this week to discuss the letter writing and its strategy at the upcoming hearing.

La Mesa's formal protest against Lemon Grove boundaries encroaching north of the freeway—what it regards a "natural boundary" between the two communities — delayed a June 8 election vote on incorporation.

If, as Lemon Grove incorporation opponents hope, LAFCO is impressed by numbers, the growing list of complainants in the controversial area may further delay an election.

322 to 31

Proponents of La Mesa annexation far outnumber pro-Lemon Grove letter writers, according to LAFCO's Mike Gotch. As of Tuesday afternoon LAFCO received 322 pro-La Mesa letters, while those expressing closer identity with Lemon Grove numbered 31, Gotch said. The La Mesa letters are individually written and more descriptive than the pre-printed form letters sent by the Lemon Grove advocates, he said.

Instrumental to the La Mesa numbers is a hand-out circulating in the Broadview, Ex Mission Sub 3, Lemon Grove Vista and Vista La Mesa land tracts, as well as in the Blossom Hills area near Mt. Miguel High school. Printed and distributed by "Citizens for Annexation to La Mesa," the leaflet urges residents of these areas to write to LAFCO and "tell them you object." Voters are asked to stress that they want to be annexed to La Mesa or remain in Spring Valley, the latter apparently directed to Blossom Hills residents.

Fire Protection

Fire protection is a crucial sidelight to the Vista La Mesa dispute. Both Lemon Grove and La Mesa Fire Districts have said they would furnish interim fire protection, if it looks like their city will get the area.

Vista La Mesa's final contract for protection from the California Division of Forestry expires July 1.

It appears likely that the June 7 LAFCO decision will indicate which district will furnish fire protection, Gotch said.

L.G. Man Leads Kiwanis Club To Top Award

A Lemon Grove man has won acclaim from Kiwanis International for the achievement of the San Diego Kiwanis club — the club he presided over during the period for which the award was made.

The man, Le Roy Bellwood, director of Engineering at KGTV, ch. 10, will accept the

Le Roy Bellwood

award when the world-wide Kiwanis International convention is held in San Diego June 19-23 at the Sports Arena.

The club won the coveted International Honor Club Award for Multiple Service during the club's 1974-75 year.

The club was cited for its concern with youth, Senior Citizens, the poor and with involvement in the club's annual "Pillars of American Freedom" series.

The Pillars presentation was held this week at El Cortez in San Diego.

Frank J. Di Noto, past Kiwanis District governor, said "(Bellwood's regime) has touched and enhanced the lives of many persons and truly shows (the club) cares."

"Show You Care" was Kiwanis International's theme for the year.

Bellwood, who has lived in Lemon Grove since 1948 noted that the Honor Club in Multiple Service, Diamond Division which was won by his club is the top award worldwide among Kiwanis clubs. "I am proud of the club," he said.

Bellwood started his electronics career in San Diego in 1947 at KFSD Radio; KFSD-FM and KFSD-TV, All became KOGO until three years ago when the trio was split up and Bellwood became director of Engineering for KGTV 10.

Old Fashioned Picnic Sunday At Golden Ave.

A community picnic is planned for all ages Sunday, noon to 6 p.m. at Golden Avenue School park, 7885 Golden ave. at School ln. The public is welcomed to bring a blanket and family dessert to share.

"We're hoping to taste some old-time Lemon Grove favorites," said Don Linfesty, Community School Advisor at Golden Avenue School.

The Advisory Committee of the Community School plans continuous games and entertainment for an afternoon of "good old-fashioned family fun." Entertainment includes a program dance presentation from a group taught by Sherrie Wharff at Golden Avenue School, selections by the Senior Citizens Chorus from the Lemon Grove Spring Valley Nutrition Center, a judo demonstration, and different styles of music performed by local groups.

Games will accent the old fashioned community spirit, Linfesty said. Tiny tots to senior citizens will join in sack races, parachute games and a "goofy track meet." Contests include cracker whistling and bubble blowing.

The picnic offers families an opportunity to sign up for the Community School Summer Recreation Program, Linfesty said.

Boney Here Saturday

Stan Boney, candidate for supervisor, 2nd district, will bring his mobile headquarters to Lemon Grove Saturday.

It will be parked at the corner of Broadway and Imperial at the lemon, 9-11 a.m.

He will discuss county problems with visitors.

Teachers' Bargaining Guidebook Hearing Shifts to Tuesday

Some of the contents of the Lemon Grove Certificated Employees Council's weighty collective bargaining proposal were found to be discrepant with Winston Act guidelines. The CEC revised its proposed guidelines for its new bargaining relationship with the school board and delayed public hearing on the matter to next week.

Tuesday at 8 p.m. the board will hear comments from the community on the CEC guidelines. The board meets at the Lemon Grove Administration office at Lincoln and Kempf.

Experts Meet Saturday to Debate Prop. 15

A public debate on the nuclear energy initiative (Prop. 15) is being sponsored by Assemblyman Peter Chacon Saturday morning at the Educational Cultural Complex at 4365 Oceanview blvd., San Diego.

The debate will be between Dr. Sidney Langer, of the American Nuclear Society who will take the "no" side.

Walter V. Hays, attorney and a director of Project Survival, will support the issue.

Dr. Paul Saltman, Vice Chancellor - Academic Affairs and professor of biology at UCSD will be moderator.

The public is invited and may register starting at 8 a.m. The debate starts at 9 and will wind-up at noon.

Debate witnesses — "No": Dr. Edward Nuener, SDSU; Capt. (ret. USMC); and Dr. Vojin Josimovic, General Atomics.

"Yes.": Millie Moreland, member Californians for Nuclear Safety; William McGlashan, Berkeley Bio Engineering, and Richard Hubbard, Former manager Quality Assurance, Energy Control, General Electric.

Those with specific questions may call Chacon's office: 263-2148.

Cops Foil Purse-Snatchers in Bar

A purse snatch in a cafe on Broadway resulted in the charge against one man of petty theft. Another man was detained for investigation and released.

The incident started in the Red Carpet tavern at 7807 Broadway when Evelyn D. Johnson of 3595 Olive st., Lemon Grove returned to her seat to discover that her purse with $120 in cash and $20 in food stamps was gone.

Witnesses described and later identified two black males as the suspects. Quick response by sheriff's deputies resulted in the capture of the two several blocks away after a chase.

The men involved are San Diegans, records show.

SECOND 'MISS' — Janise Sundstrom followed in her older sister's footsteps Sunday to capture the local "Our Little Miss" title.

Family Wins 2nd Straight 'Our Little Miss' Title

For the second year in a row, a Lemon Grove girl was chosen the local representative in the Our Little Miss local pageant, a contest run by Universal Pageant Systems for girls, 7 to 12.

More remarkable is the fact that the winner comes from the Sundstrom family for the second year in a row.

Janise Sundstrom, 10, sister of the reigning Our Little Miss Chula Vista Kristen, 13, captured the local title in La Mesa Sunday at a pageant held at the La Mesa Woman's Club. Janise competed against eight others in modeling party dress and sportsware, private interview and display of talent.

Janise won the title by performing a Spanish fast tap dance. She has studied dancing for 2 years at Dance Carousel in El Cajon. Her teacher, Donna Geiger, had five students in the running, four of whom won awards.

Janise entered the La Mesa contest because there is no contest for Lemon Grove. Her sister entered the Chula Vista pageant last year for the same reason.

The Our Little Miss contest is for girls 7 to 12. Girls 6 and under compete in the La Petite division. Girls 13 to 16 enter the Ideal Miss contest.

Winning the local contest qualifies Janise for state competition to be held in Palm Springs in July.

Janise and Kristen are daughters of Gary and Janet Sundstrom who live at 7402 Canton dr., Lemon Grove. Mrs. Sundstrom grew up in Lemon Grove.

Gas Thieves Active

Separate gasoline petty theft crimes were commited on April 28.

At 8:30 p.m. a black male, about 22, driving a yellow Chevy Monte Carlo, pumped $7.70 worth of gasoline into his car at the Pit Stop, 7081 Broadway and drove off without paying. The clerk, Becky Ann Ringhand reported the incident to sheriff's deputies.

At 8:40, a black male, about 20, driving a blue '62 Mercury Monterey told station attendant Donald A. Keyes to "get me some oil." While Keyes was getting the oil, the customer drove away leaving without paying for $7.70 worth of gasoline.

Sheriff's deputies were also told that the Mercury had stereo pipes in the rear window.

Armed Robbery Nets White Male Only $73

A robber forced two clerks of the Beneficial Loan Co., of 7800 Broadway in Lemon Grove, into a rest room at gun point and took $73 from the cash drawer Friday at 12:10 p.m.

The robber, a white male, 27-28 with a black ponytail, entered the loan firm while Chuck Robbins, the manager, was out to lunch.

The two clerks, Linda Kemper and Judy Roberts, were ordered to open the cash drawer as the robber kept warning them "don't look at my face".

Finding the small amount of money in the drawer he demanded that they open the safe. "It's open," they told him, "but there's no money in it."

Continuing to warn them about looking at his face he herded the two women into the restroom and offered one further warning: "Stay in there 10 minutes. There's a man watching you from across the street."

The two witnesses said the revolver the man held was black, and of large calibre.

Sheriff's deputies had at least one suspect in tow by week's end.

One of the clerks turned in her resignation "because," she said, "it was too great an emotional experience."

Building Booms In S.D. County

Building, in San Diego County, is booming right along. 1,357 permits were issued this year in April, according to the Department of Building Inspection, with a value of $19,227,379.

For the same month last year 423 permits were issued with a worth of $12,404,112.

This year for the first four months 5,174 permits had been issued with a worth of $114,-131,609. That compares with 3,436 last year, same period, with a worth of only $48,100,-529.

Junior Livestock Exhibit At Lakeside Rodeo Grounds

Local FFA and 4-H club members of the county are hosting their first annual Junior Livestock Exhibition and Fair this week at the Lakeside Rodeo Grounds, State 67 and Mapleview dr., Lakeside.

The two groups previously showed as part of the El Cajon Jaycees East County Fair but over the years the youngsters dreamed of putting on their own fair.

Several hundred exhibitors whose dreams have now come true are expected to take part in the fair which will be open until midnight Thursday, Friday, Saturday and Sunday. It opens at 5 p.m. Thursday and Friday and at 10 a.m. Saturday and Sunday.

In addition to stock, there will be displays of all the home economics items such as crafts, a sewing, gardening, woodwork, macrame and others.

Admission is 50 cents. Children under 12 will be admitted free. Parking is 50 cents, too.

FFA members are high school youngsters; 4-H is for those in grade 4 through high school.

Harvey Mondy represented the FFA organization; Jim Dyer, 4-H'ers.

3 Area Girl Scouts Earn Marian Award

Three area girl scouts were awarded the Marian Medal May 16 at a ceremony held at St. Joseph's Cathedral in San Diego.

Janet Karlson of Spring Valley, and Nora Batts and Joann Loritz, both from La Mesa, received the Catholic diocesan citations from the Most Rev. Bishop Gilbert E. Chavez.

The award program is national in scope and involves a year-long program of service and personal and spiritual awareness, acording to Mrs. F. D. McClintock who moderated the program.

The girls are from Scout Troop 6092 which meets at the St. John of the Cross Parish Youth Center in Lemon Grove.

Part of their service was entertaining children at the Home of Guiding Hands with a puppet show and cookies.

The Marian Medal is awarded to girl scouts, campfire girls or any girl of the Catholic faith who fulfills its requirements.

Area Obituaries

Vere Keigley

Services were held at Greenwood Mortuary Thursday, May 13 for Vere W. Keigley, 88, of 8868 Valencia dr., Spring Valley. The funeral was under the auspices of American Legion Post 282, La Mesa. Burial followed in Greenwood Memorial Park.

Keigley, a member of Post 282, died May 10 in a hospital. He had worked 15 years as a civil service machinist at the North Island Naval Air Station.

He was a member of the Forty and Eight Club and past commander of San Diego American Legion Post 201. Keigley also served in the Army during World War I.

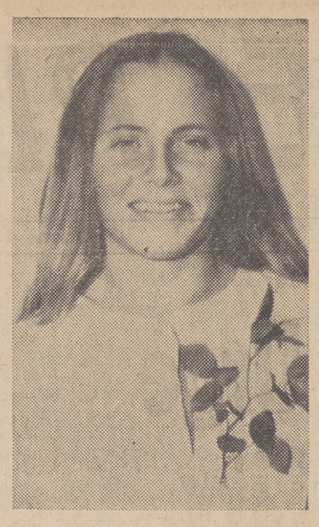

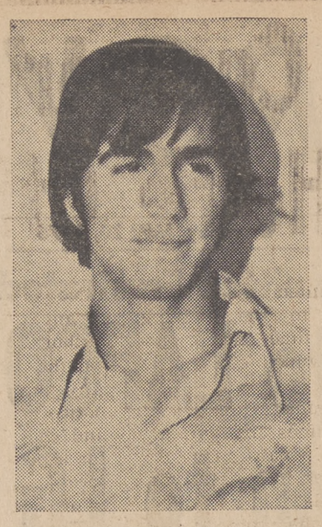

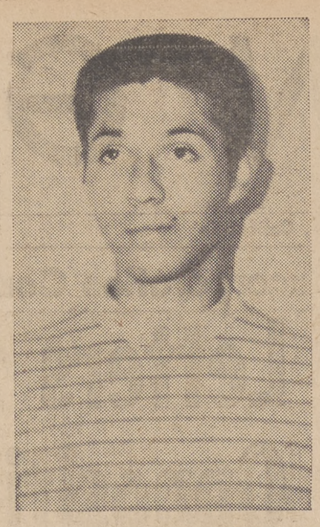

He had lived in the area 32 years and was born in Madrid, Iowa.

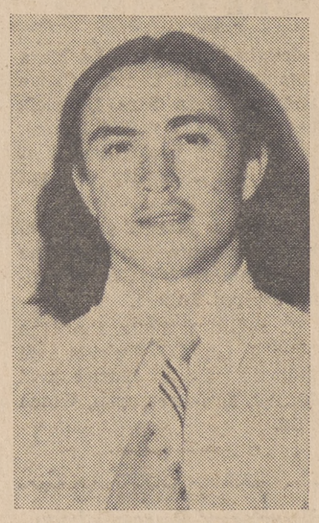

Surviving are five sons, including Jay of Spring Valley; three daughters, and several grandchildren, great-grandchildren and great-great-grandchildren.

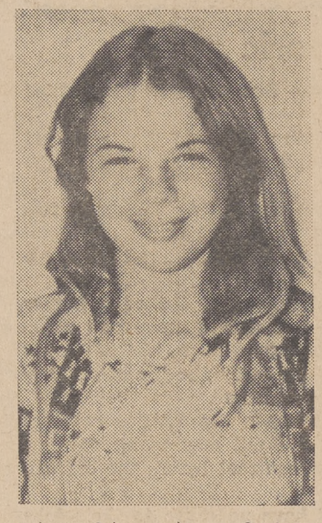

Pastorate Candidate To Speak Sunday at SV Friends Church

James McDowell, presently with the Friends Meeting Church in Jonesboro, Indiana, will speak Sunday at the Spring Valley Friends Church at 11 a.m. McDowell is a candidate for the pastorate of the church.

He will be in the Spring Valley area for several days to meet with various committees and attend social functions. The Spring Valley Friends Church is on Bancroft at Kenwood in Spring Valley.

WOMAN'S CLUB HONORS — Seven students were guests of the Spring Valley Woman's Club last week. Five are graduating seniors who received $50 scholarships and two are winners in the CFWC District 26 art contest. Receiving scholarships were (l-r) Lori Johnson, Henry Vasquez, and Chris Ruiz of Monte Vista; Katherine Fry and Daniel Smith (lower left) from Mt. Miguel. Beverly Colton (center) an 8th grader at Spring Valley Jr. High, holds winning painting in District 26 art contest. Kathy Hall (lower right), a Spring Valley student, won third place in the contest. Elizabeth Barker, not pictured, is a Mt. Miguel senior who also won a scholarship.

MAAC Project Sets Up Office In Spring Valley

The MAAC Project, a non-profit multi-service agency with components throughout the South Bay, has opened a new service center in the La Presa Plaza, 552 Grand ave., Spring Valley.

The MAAC Spring Valley Center offers the same full range of services as do the other four general service centers. These include counseling, referrals and placements in such areas as employment, housing, welfare, immigration, legal aid, veteran's aid, senior's aid, family problems, emergency food and transportation, youth activities, bi-lingual translation and more.

The phone number is 475-3662. Hours are Monday-Friday 8-5.

Seniors Get New Breaks In Property Tax Payments

Claim forms were mailed recently to senior home owners who stand to benefit from two changes in the Senior Citizens Property Tax Assistance Law during the 1976 filing season.

Claimants no longer will be required to include the income of dependent minors, qualified students or renters as part of total household income.

"Since the amount of property tax reimbursement is based on household income and taxes paid, this should be of substantial benefit to those who still have minor children living at home," said Donald Whitney, director of the program for the Franchise Tax Board.

The other legislative change applies to senior citizens who are engaged in a small business. "These persons will now be allowed a deduction for all cash expenditures necessary to realize the business income. The law also eliminates the $30,000 gross income limit on farmers," Whitney said.

Previously, no deductions were allowed except for the cost of goods sold in mercantile business.

Californians 62 years or older as of January 1, who own and occupy their home and have less than $10,000 household income may be eligible for partial reimbursement of their property taxes. The average reimbursement for 1976 is expected to be $170.

The filing period for claims is between May 16 and August 31. Claims are paid on a first-in, first-out basis after July 1.

Persons who believe they may qualify should contact the Franchise Tax Board district office, 1350 Front st., San Diego, 92101, phone 236-7540.

College Chorus To Salute USA

Grossmont College's Department of Music will present its concert choir and chamber chorale in a special scholarship concert at 4 p.m., Sunday, in the Student Center on its El Cajon campus. David L. Glismann, director of the college's choral activities, will conduct the "Choral Salute to America" while Carol Cunningham serves as accompanist.

The two larger works of the concert are concerned with American history and will be sung by the 90-voice concert choir. Howard Hanson's "Song of Democracy" is set to the words of Walt Whitman while "The Song of America" by Roy Ringwald features in American poetry the time from Columbus until after the Civil War.

The 25 voices of the chamber chorale will sing smaller works from Renaissance to contemporary.

Donation at the door is $1. College students and children get in for half price.

Senior Citizens To Be Given Aid On Tax Rebates

Lemon Grove and Spring Valley senior citizens can get help on filing for Property Tax Assistance benefits Friday.

A Senior Citizens Property Tax Assistance Program state representative will have a temporary office at the La Mesa Adult Recreation Center, 8450 La Mesa blvd., 9 a.m.-4 p.m.

Partial reimbursement of 1975-76 property tax is available to senior citizen homeowners with limited income. Claimants must be a California resident as of January 1, 1976, own their home between July 1, 1975 and June 30, 1976, be 62 years or older as of January 1, 1976, and have a total household income of $10,000 or less.

Almost 301,000 claims were paid last year for a total of $50.8 million, it was reported. The average amount paid was $169.

The amount reimbursed is based on the total amount of property tax paid and the household income of the claimant. Payments can range from 4 per cent to 96 per cent of the property tax paid.

Claim forms will be available at the temporary office or may be obtained from any Senior Citizens Property Tax Assistance Office or by writing to Senior Citizens Property Tax Assistance, P. O. Box 1588, Sacramento, California 95807.

The deadline for filing claims this year is August 31, but claimants are urged to file early. Payments begin in early July and are paid in the order received.

DFA Orders More Info on Grocery Tapes

The new electronic scale and cash register combinations that are appearing in stores and super markets around the state have almost eliminated human error in ringing up sales. But, they do present one area of concern to shoppers in that unlabeled items such as fruits and vegetables are not necessarily identified on the cash register receipt so the buyer can make sure he is paying the right price.

The State Department of Food and Agriculture, through its Measurement Standards Division, is correcting this by issuing a regulation requiring that such receipts include the product class, name, or identifying code number; net weight in pounds or ounces; unit price and total price.

The new requirement goes into effect May 31.

'Wind Dancers' Star in Free College Grove Film Showing

Breath-taking shots of hang gliding, skate boarding, hot air ballooning and surfing comprise a film titled "The Wind Dancers," personally narrated by its creator Sidney Beran. It is shown for free in the College Grove Shopping Center Community Hall, Wednesday at 7 p.m.

"Wind Dancers" features hang gliders soaring from promontories all over the world, including take-off points at Torrey Pines and Black's Beach.

Other attractions captured on film include a world champion hot air balloon meet in New Mexico and an exhibition of world champion skateboard riders.

Beran, long-time San Diego resident, has traveled around the globe producing travel-adventure films.

Att. Gen. Younger Outlines Categories For Severeness of Nursing Home Offense

This is the third of a five-part series explaining how families, friends and the community can help protect the interests and welfare of the nursing home patient. The material is based on Information pamphlet No. 7, "Understanding the New California Nursing Home Act," published by the office of State Attorney General Evelle J. Younger.

Violations of the new law are classified into three categories, based upon how seriously the violation may affect the health and safety of patients, according to State Attorney General Evelle J. Younger.

The class "A" violation, the most serious offense, is any violation of a statute or regulation relating to the operation or maintenance of any skilled nursing facility which the Department of Health determines presents an imminent danger to the patient or substantial probability that death or serious physical harm to the patient will result. (Skilled Nursing Facilities Regulations section 72702.)

Serious physical harm means bodily injury in which a part of the body is removed, rendered useless or substantially reduced in capacity, either temporarily or permanentely, or in which an internal function of the body is inhibited so as to cause shorter life or reduction in physical or mental capacity. (Skilled Nursing Facilities Regulations section 72701.)

Class "A" violations may include such things as physical abuse of patients, inoperative call systems from patient to staff, tainted food, improper administration of medicines and the like. A class "A" violation must be remedied immediately or before the deadline set for correction by the department. If the condition creates imminent danger of serious harm, a civil penalty of not less than $1,000 and not more than $5,000 may be assessed by the district administrator of the department for each class "A" violation. (Health and Safety Code section 1242(a).)

The class "B" violation is a lesser offense which nevertheless has a direct relationship to the health, safety or security of the patients. (Skilled Nursing Facilities Regulations 72705.)

Class "B" violations may include such things as administration of medicines by unauthorized personnel, failure to take proper measures to prevent bedsores, failure to maintain personal hygiene of patients and so forth. If the condition is directly related to health and safety, a civil penalty of not less than $50 and not more than $200 may be assessed for each class "B" violation. (Health and Safety Code section 1424(b).)

The class "C" violation is a violation of statute or regulation relating to the operation and maintenance of a nursing home which the department determines has only a minimal relation to the health and safety of patients. (Health and Safety Code section 1427 and Skilled Nursing Facilities Regulations 72709.)

Civil penalties which may be assessed shall be trebled for a second or subsequent violation within a 12-month period where a prior citation was issued and a penalty assessed. (Health and Safety Code section 1428(c).)

If after a routine visit or investigation of a complaint the investigator finds the nursing home in violation or any law or regulation, he shall within one day after completion of the inspection determine which class of citation is warranted, issue the appropriate citation to the nursing home, and fix the time for correcting the condition which constitutes the violation.

The district administrator of the department determines the amount, if any, of the civil penalty to be imposed. When a citation is issued as a result of a complaint, a copy of it will be sent to the complainant. (Skilled Nursing Facilities Regulations 72715.)

In the event that a violation is not corrected within the time specified by the department in the citation, the nursing home shall be assessed a civil penalty of $50 for each day the violation continues beyond the deadline set for correction. (Health and Safety Code section 1425.)

In the event that the nursing home permits the violation to continue beyond the deadline of the citation and the department has not taken action, the nursing home may be enjoined by court action from permitting the violation to continue and may be sued for civil damages.

An action for injunction or civil damages, or both, may be brought by the Attorney General, in the Superior Court, upon his own complaint, or by any person, or by any group acting on behalf of its members of the general public. Civil damages which may be recovered may be up to the maximum amounts which could be assessed by citation. (Health and Safety Code section 1430.)

The department shall conduct at least two general inspections in every calendar year of all nursing homes in the State and as many additional inspections as are necessary. (Health and Safety Code section 1422.)

No advance notice shall be given of any inspection unless specifically authorized by the director of the department or required by federal law. Any public employee giving advance notice of inspection violates the law and shall be suspended without pay for a period determined by the director of the department. (Health and Safety Code section 1412.)

The department shall prepare a report listing all nursing homes by name and address, indicating:

1. The number of citations, the nature of each citation and the status of any action taken including penalties assessed during the previous twelve months, and

2. The nature and status of uncorrected violations for which the facility has been cited.

The nursing home is also required to post in plain view a copy of all final class "A" citations until the violations are corrected. Citations for both "A" and "B" violatione are to be made available by the nursing home to anyone who requests such information. (Health and Safety Code section 1429.)

In addition, public agencies which place publicly-assisted patients in nursing homes must give priority to those facilities with no "A" or "B" both "A' 'and "B" violations are to

Any written report that is received by the department in connection with the act is a public record and is open to inspection. However, the names of persons are not open to public inspection, and copies of the record provided for public inspection shall have the names deleted. (Health and Safety Code section 1439.)

This Week's RECIPE

Baked Ham With Cranberry Garnish

Here's a special recipe for a family dinner or a festive occasion — ham with a piquant cranberry sauce. Dress up a sliced ham by spreading each serving with a mixture of cranberry sauce, Worcestershire sauce and grated orange rind. Reassemble slices and tie with string. For an extra touch, garnish with sugar frosted grapes and parsley.

To round out your menu, consider a crisp salad with a creamy cheese dressing, a sweet potato pudding and buttered green beans mixed with sliced almonds.

CRANBERRY GLAZED HAM

1 canned ham, about 5 lb.
1 can (1 lb.) jellied cranberry sauce
1 tsp. Worcestershire sauce
1 tsp. grated orange rind

Remove ham from can and pull off all gelatin. Cut ham into ½-inch thick slices. Mix cranberry sauce, Worcestershire sauce and orange rind. Spread slices thinly with cranberry mixture. Reassemble slices into ham shape and tie together with a string. Pour any remaining cranberry mixture over top of ham. Bake in preheated slow oven (325°F) for 60 minutes or until ham is heated thoroughly, spooning pan drippings over ham as it roasts. Push a long skewer through ham slices lengthwise and place ham on a platter or lift with broad spatula. Remove string. Serve garnished with parsley and small bunches of frosted green grapes.

Area Student Honors Roll In

The end of each school year usually finds an abundance of local personalities worthy of recognition for a variety of good reasons. Here is a collection of those who have come to our attention to date:

A science project on "chronopsychophysiology" won a first place award for Monte Vista seniors **Tom Conlon** and **Larry Goldzband** at the 22nd Annual Science and Engineering Fair. Chrono . . . (etc.) is the study of biorhythms, the cyclic ups and downs of physical, mental and emotional activity . . . Elected president of the 1976-77 ASB at Monte Vista was **Tony DiVita.** His sister **Fran** was elected secretary. The candidate selected to run ASB at Mt. Miguel High next year is **Carl Mullins.**

Three students attending San Diego State University and two faculty members were local residents joining in initiation ceremonies for the Phi Beta Kappa honorary society's campus chapter. **Norma N. Block, Steven D. Clay** and **Kathlyn L. Obendorfer,** all of Lemon Grove, were among the new student members. Clay, a history major, and Obendorfer, English, are graduated with highest honors (grade average above 3.75) this year. Block, a sociology major, will graduate with high honors (average above 3.50). Among faculty members joining Phi Beta Kappa are **Dr. George Gross,** dean of Academic Administration, of Spring Valley, and **Dr. Andrew C. Olson,** professor of zoology, Lemon Grove.

Joseph P. Davis, a senior at Mt. Miguel, was awarded a four-year Montgomery Ward National Merit Scholarship for academic excellence. The scholarship benefits children of the store's employees. His mother, **Mrs. Joseph P. Davis,** works at a San Diego store. Joe Jr. will major in oceanography at the California Institute of Technology in Pasadena. He was a member of the swimming team at Mt. Miguel and co-captain of its water polo team.

From Commerce, Texas comes word that Spring Valley resident **Linda Smith Stowell** became a master of science and was awarded her degree at spring commencement for East Texas State U. . . **Richard Ingraham,** Lemon Grove, earned his M.S. this year from Western Washington State College.

Kids Revel in Sea World's Newly Opened Attraction

What happens when the Unstoppable Force (a) meets the Immovable Object (b)?

That theory is being tested at Sea World on kids, 4 to 14, (a) who put to a test some of the nation's most creative and dynamic play devices (b) which have been installed at Cap'n Kids World, the marine park's newest attraction.

Press members, together with their families, were invited to test the (a) vs. (b) theory last week as guests of Sea World's Cap'n Kid. While none of the devices was damaged, it appeared that the kids were making a dent in the theory.

And it was fun! Mom and Pop stood by as their little tykes tested play elements created by an imaginative designer, Eric McMillan, of Canada. The fun was of such a dimension that most youngsters rejected the free hot dog and hamburger station, and the peanutbutter and jelly table (make your own) to remain in the play facility. The food set-up was a one-time only, press-day feature.

Youngsters were putting the supreme test to the 25 play-elements making up Cap'n Kid's World's $1 million, 2-acre playground — and the playground won over food! Imagine! Play devices keeping kids from hamburgers, hot dogs, peanut butter and jelly, and Koolaide!

Read this list to your kiddies and see if you can keep them home:

Fish Net Climb (cargo nets strung at varying levels)

Buccaneer Bounce-Bounce (bounce between giant rubbers bands)

Swashbuckler's Swing (hand over water)

Hurricane (barrel roll)

Bounding Main (giant air mattress)

Punch - a - Bunch - of - Pirates (punching bag forest)

Davey Jones Looker (convex and concave mirrors)

King of the Wave (giant vinyl waves to climb)

Deck Hand Band Stand (puppet bandstand)

Bird Bounce (elasticized swings)

Jellyfish Walk (foam rubber swamp)

Seagull Race (jump from hill to hill)

Cannon Slide (tube slide)

Flying Dutchman (holding rope, kids run, jump . . . then fly)

Slippery Eel (spiral slide)

Walk the Plank (sway bridges)

Cannonball Crawl (crawl or "swim" through 15,000 plastic balls)

Turtle Roll (roller slide)

Cog Wheel Wind (cog wheels activate bells and chimes)

Admission to Cap'n Kid's World is included in the single charge admission to Sea World.

What a way to lose the "little darlings" for a half-day or more.

GUHSD Grads Number More Than 4,000

Grossmont Union High School District will release more than 4,000 of its charges into the real world next month. Graduating seniors at the nine comprehensive high schools in the district number 4,241. About 400 students ended their school work in January.

Twenty-eight valedictorians will be donning caps and gowns at commencement ceremonies at the schools on June 10. Helix High leads that list with six: Leslie Bixel, Mark Catlin, Carolyn Cross, Blake Shaw, Suzanne Teichman and Katherine White.

Mt. Miguel's senior class has three valedictorians — Joanna Garrett, Mary Maca and Deanna Zimmerly.

Lisa Gillmore is the sole representative from Monte Vista.

Local graduating classes include Helix, 525; Mt. Miguel, 521 and Monte Vista, 395.

Graduation ceremonies will be held in each of the schools' stadiums.

Emotional Antidotes

A cure for certain upsetting emotions is offered by a consulting psychologist and marriage counselor tonight at the Grossmont Hospital auditorium.

Dr. William H. Pemberton will discuss "Antidotes to 7:30 p.m. to continue Grossmont College's community education series "New Frontiers for the Mind and Body."
series "New Frontiers for the Mind and Body."

The public talk is free.

Saturday Pancakes Help MV Swim Pgm.

The second annual Monte Vista Pancake Breakfast and Water Carnival will be held at the Monte Vista High School pool Saturday, starting at 9 a.m.

A hearty breakfast of pancakes, sausage and beverage will be served for $1.25, 50 cents for children under six.

There will be a swimming and water polo demonstration by the Monte Vista Swim Team members, a parents relay race, clown diving and special swim relays and fun events for children ages 9 and 10, 11 and 12, and 13 and 14. A 25 cent entry fee permits a child to enter as many events as he wishes.

The primary purpose of the event is to acquaint children with the Monte Vista Aquatic Program. Proceeds will be used to help defray the school's aquatic costs.

Free Show Features 24 Hours of Talent

A talent show with 336 individual acts?

That's what the La Mesa Recreation and Park District has lined up this weekend at Grossmont High School. The "1976 San Diego County Bicentennial Jr. Talent Contest" is free to the public.

The giant contest is made up of 40 talent divisions. Awards will be presented for 1st, 2nd and 3rd place division winners; best solo act and best line act. Afternoon Game Today with Astros

Padres Open Series With Reds

Perennial National League Western Division powers Cincinnati and Los Angeles will form the middle portion of the San Diego Padres third homestand of the season as the 1975 campaign winds down toward the end of the second month of activity.

First up, though, for the Padres is today's afternoon meeting with the Houston Astros in the last of a short two-game series with the Texans. The game, the second of four Business Specials scheduled by the Padres this season, begins at 1 p.m. instead of the usual weekday time of 7 p.m.

Then, it's on to the leaders as the defending World Champion Cincinnati Reds will be in for games on Friday through Sunday with the Friday and Saturday contests going at 7 p.m. and the Sunday series wrap-up game will be the normal 1 p.m. Following the Reds will be the Los Angeles Dodgers who'll be on hand for Monday through Wednesday single games all starting at 7 p.m.

Giants in Wrap-up

That will just about put the wraps on the homestand as all that will be left after the Dodgers will be four outings with the San Francisco Giants, May 27-30.

"We sure haven't been playing the tailenders the past couple of weeks, Padre manager John McNamara noted of the upcoming six games with the Reds and Dodgers. "On this past road trip of ours we ended up with back-to-back series with New York and Philadelphia teams which were virtually deadlocked for first place in the Eastern Division and now we've come almost right back against the one and two clubs in the Western Division.

"The Dodgers have put together one of the hottest streaks in a long time as they have finally snapped out of their early season slump," continued the San Diego skipper. "We all knew they couldn't continue playing the way they started out the season (3-9 after the first two weeks), but I doubt seriously if anyone figured they'd start winning the way they have."

The Dodgers, of course, will have something of a score to settle with the Padres as San Diego whipped them 8-5 and 3-1 in a season-opening homestand up in Los Angeles.

"There really isn't too much you can say about Cincinnati that hasn't been said a thousand times before," McNamara said. "They haven't been playing the type of winning ball that a lot of people expected them to at this stage, but yet they are still head and shoulders above most clubs in the talent department."

Padres Via SD Transit

San Diego Transit will offer stadium special bus service to all games in the Padres' current home stand except today's 1 p.m. Houston game.

Lemon Grove/Spring Valley riders may board the buses either at the southwest parking lot of Grossmont Shopping Center, near Montgomery Ward Dept. Store, or at College Grove Shopping Center, adjacent to College Grove dr.

Service begins at 5:30 p.m. for games starting at 7 p.m.; 11:30 a.m. for 1 p.m. games.

One way fare is 50 cents which also pays for bus travel to the pick up points.

Two Local Men in Quest For Cajon Speedway Lead

The battle for points continues this week at Cajon Speedway among three- time ECSCRA titleholder from Spring Valley, Pat McIntyre; the man of many cars, 1974 champion Ron Esau; the 1974 champion of El Cajon, Ron Overman, and speedster, Gary Beecroft, of Lemon Grove.

McIntyre, who led the pack until recently, suffered bad luck the last two times out. Both times he was involved in an accident. Larry Pemberton and Carl Simon, both of Lemon Grove are among the top 10 and will have to be dealt with in upcoming races.

Meanwhile, attendance continues to exceed that of last year's by 16 per cent, according to promoter Earl Brucker. Last year more than 100,000 fans attended the Saturday competitions.

Top three ECSCRA leaders are Esau, McIntyre and Overman, in that order, but the point spread is less than 100. Esau has 635; McIntyre, 590 and Overman 540. Beecroft is fourth with 400.

The season's second destruction derby will be an added attraction Saturday night. The program will include four 8-lap heats; a 10-lap consolation; a 20-lap semi-main and a 20-car, 40 lap feature, in addition to the destruction event.

U.S. Victory Brighter In Carlsbad Motocross

FERMO, ITALY — Hopes for an American victory in the world motocross championships for 1976 grew a little brighter last week with a good 2nd place finish in the Italian Grand Prix by Concord, California rider Brad Lackey.

Although he still trails points-leader Gerrit Wolsink of Holland, the 24 year old Lackey is trying to close the gap with consistent performances as the season moves closer to the Hang Ten U. S. Motocross Grand Prix at Carlsbad next month.

Wolsink, a qualified dentist when not racing his factory prepared Suzuki looms as the strongest contender for the championship at this point. The points scored in Italy enabled him to maintain his lead over World Champion Roger De Coster of Belgium and Adolf Weil of Germany who will both be competing at Carlsbad also.

The Hollander is also a two-time winner of the Hang Ten U. S. Grand Prix at Carlsbad and will be bidding for an unprecedented 3rd straight victory when the 1976 classic unfolds June 20th over the challenging Carlsbad course.

The Hang Ten U. S. Grand Prix will be the 8th of 12 World Championship events making up the 1976 schedule which includes 12 different countries and has already drawn an outstanding field of both European and American challengers.

Like the World Championship itself, no American has yet won the U. S. event. Although Lackey has always gone well at Carlsbad, machine failures in 1974 and 1975 excluded him from the victory circle. This year however, he feels he has both the experience and equipment to outrun the Europeans.

TAKE FIVE

By John E. Wirges

Denny McLain did it in 1968 at Detroit, but you have to go back to 1934, when Dizzy Dean nailed down 30 wins for the old St. Louis Gashouse gang, to find a National Leaguer setting a pace matched by San Diego southpaw Randy Jones this campaign.

The Jones boy, from Poway, notched his seventh win against two losses over the Giants at San Francisco in the Padre's 31st game of the season. He leads the Major League with wins and is two up on anybody else coming off a lengthy road trip and into the friendly confines of San Diego Stadium.

Such figuring sends even the most lukewarm statistician running to his computer in quest of Randy's potential winning mark if he keeps his spirits up and his sinker down in like fashion the rest of the year.

Padre broadcaster Bob Chandler, as quick a man with a hand computer as you're likely to find outside a bookie joint, punched up a "probable" 36.4806 victories for Randy this campaign. He'd also lose 10.516 times and go the route in 31.3548 games.

And that's pretty good for a guy who throws a 27 mile-an-hour fast ball in arenas catering to big, burly guys firing 90 mile-an-hour bullets.

The truth of the matter is, Randy probably wouldn't draw any attention from baseball's learned scouts if he were hurling for a high school team this spring.

"Too small," they said when he was coming out of High School in Brea. "Too small and too slow."

Claude Osteen, a Brea neighbor, helped Randy develop a curve and a slider, but it wasn't till he came under the tutorage of Padre minor league pitching coach Warren Hacker that Randy learned his bread-and-butter pitch, the "dry" sinker.

There was a learning process all the way. And a lot of it had to do with developing the self confidence that turns good tools into winning baseball.

Randy actually was almost ignored by scouts and offered only a half scholarship at USC, his first choice for post prep play. He went to Chapman on a full scholarship and earned All-American honors by his senior year, giving promise of what was yet to come.

But the Jones boy didn't just hang around the ball field and locker room, as college jocks are often charged. He didn't even take a P.E. major.

Randy thought of the future. It may be that he didn't think too highly of his chances with a 27 mile-an-hour fastball in professional baseball, or it may have been native smarts in the head bone, but he hit the books in tough business courses leading to a degree in Real Estate and Finance.

Some smart land developer is going to sign Randy to a long term contract for off-the-field pitching one of these days and land a man who will bring considerable fame and ability to the business world before his playing days are over.

The future looks bright for Randy, and through him, the San Diego Padres. A potential 30 game winner brings out the kind of play in each of the supporting cast that produces routinely that which is thought impossible.

Gloves without webbing stop balls laced past on other clubs, daed arms fire out runners and bats long known for harboring holes suddenly heal and pound out base hits.

And such is the spirit and fun of the game, that similar play laps over to other pitchers, who respond in kind and contenderhood is reached.

Sure, the Padres could use another starting pitcher. Sure, manager John McNamara would like to boast a .300 hitting, rifle-armed catcher for his club. And Jerry Brown would like to go right from the sanctuary to the White House, too. But not all things are possible or probable.

What is possible, and even probable, is a 30 plus wins for Randy Jones this year. He might even win the Cy Young award even though he doesn't play for a New York team. Not bad for a kid not fast enough to play.

Suwara Faces Painful Job Of Cutting Women Players

Rudy Suwara, head coach of the San Diego Breakers of the International Volleyball Assn. was forced to drop the axe on a trio of women aspirants to his Breaker squad for the upcoming season. The pain of the decision was apparent.

"This was one of the toughest decisions I have ever had to make. These three girls worked extremely hard to make our club and a year ago they might have succeeded. But the quality of play in our league has improved so much since we started last year that we felt they needed more work".

The trio included walk-on Paula Bee, draft choice Henrietta Flores from Texas Women's U., and Melody Parker, wife of assistant coach Dodge Parker.

"I talked with my assistants well into the night", Suwara reported, ". . . and Dodge was most persistent that Melody was perhaps a year away from making the team. I'm sure that she'll be out again next year . . . at least we will welcome her trying out".

The cut left returning players Connie Gibbon and Robin Irvin along with IVA All League performer in 1975, Roseanne Wegrich trying to fight off the challenge of newcomer Kathy Hanley of U.C. Santa Barbara for the three women's spots on the Breakers squad.

Padres Play Mets For Charity June 7

The San Diego Padres and the New York Mets will play June 7 at SD Stadium in the second Leadership Club Youth Benefit Game to support local non-profit youth organizations, S.D. Mayor Wilson announced.

The Padres will donate to the Leadership Foundation a portion of the revenue from each ticket sold. The Leadership Foundation's board of trustees will distribute the proceeds to youth organizations after reviewing applications made to the foundation.

Last year, the San Diego Chargers and the San Francisco 49ers played in the first Leadership Club Youth Benefit Game and $13,626 was raised and distributed to the Boys Club of San Diego, the Girls Club of San Diego, Big Brothers and the Neighborhood House Assn.

If this year's game sells out (50,000 tickets sold) the Leadership Foundation will receive $22,700. A 30,000 turnout would generate $9,200.

Kim Fletcher, president, Home Federal Savings and Loan Assn., will serve as honorary chairman of the game. John Wertz, an attorney with the firm of Shenas, Robbins & Shenas, and Charles Bleiler, a partner in the law firm of Williams, Clodig and Bleiler, will serve as co-chairman of game promotion.

Szuch Named in NI Golf Tourney

Lou Szuch, a retired navy chief who keeps himself occupied teaching friends how to golf and assisting with the Rancho San Diego Bicycle Motocross Club's bi-weekly races, is now the namesake of an invitational golf tournament at the Sea 'n Air Golf Course on North Island.

Szuch, a Spring Valley resident, designed and help build the front nine of the military base course back in 1954. Nine more holes were added five years later, he said.

The first annual Lou Szuch Invitational was held May 2 and dedicated in his name to his surprise.

Tennis Grudge Profitable— To Spring Valley Kiwanis

It was a sort of wacky arrangement.

It pitted extremes in a game of tennis.

Ron Svalstad is a rising, young lawyer about 36. Herb Ketell is a mature civic leader in his early 70's.

It started out last year with Ketell deriding Svalstad's tennis ability in spite of the fact Svalstad's owns Helix South Tennis Club in Casa de Oro. Ketell wagered $25 that he could beat Svalstad.

Because the discussion took place at a regular meeting of the Spring Valley Kiwanis club, it was only natural that it would become a Kiwanis project.

The club put up a trophy and sold tickets for $1. Proceeds to go into the club's youth fund. The antagonists agreed the winner would give his winnings to the project, too.

Circumstances favored youth. Svalstad won.

The S. V. Kiwanis club youth fund swelled by nearly $100. But Ketell was rangled. The score was close. So close, in fact that Ketell had an idea how to get even.

He challenged Svalstad to a doubles match. Same bet. The Kiwanis again sold tickets. Another $100 in the kids' fund.

Ketell had a friend — an outstanding tennis player of La Jolla. Svalstad claimed his teammate to be a women 50 or more years of age. But Svalstad was holding back a pretty, and very extremely capable tennis player named Jean Petty. About 25! And good!

The Ketell twosome came close. But lost. The youngsters were too much.

Now Ketell has challenged Svalstad to a threesome. A tennis threesome?

S. V. Kiwanians are beginning to wonder if Ketell can make up in determination was he has lost in net- ability. But if Ketell can convince Svalstad that threesome is legitimate, the Kiwanis club will probably sponsor the match. If it helps the kids, who cares if a threesome is legitimate?

Pi-Tape, Rickel's In Sky-Grove Tie

A Look at Past Issues

Back Pages

A look at the pages of this newspaper twenty years ago reveals some of the interesting contrasts between then and now. This column highlights some of the items that appeared in this newspaper at this time two decades ago.

By Bruce Binkowski

It was hot in Lemon Grove and Spring Valley 20 years ago this week. One day water use in the area totaled 27,635,000 gallons. The record high to that date was set on September 2, 1955 when 32,426,000 gallons were used by local residents.

Jim Dorman, an economics major at Pomona College, earned a varsity track letter for the Pomona-Claremont Cagehen track squad. He won the letter for pole vaulting. A junior when he earned the honor, Dorman was a 1953 graduate of Helix High School and still is a resident of Lemon Grove.

* * *

The Lemon Grove Chamber of Commerce asked the City of San Diego Planning Commission not to name the Lemon Grove Freeway the Admiral Nimitz Freeway. Bruce Harms, chamber president, said in a letter to the Commission that everyone had a high regard for Admiral Nimitz but felt that the community would be losing its individuality by the suggested name change.

The latest fads of the day included: Gals with crew-cut hair down to one curl . . . Bows large enough to be seen from any angle worn by many girls . . . Pantaloons beneath a flaring hoop skirt.

* * *

A local radio/tv appliance shop featured a demonstration of color television. The set was a COLORCASTER and those who had not ever seen color tv could expect a pleasant surprise.

* * *

A school trustee for the La Mesa-Spring Valley School district was elected to his position. The better word is re-elected. Incumbent Albert Peters defeated opponent Frank L. Foster of Brookside 693 votes to 290.

* * *

A building permit was issued for an office at 3515 Olive Street for Culligan Soft Water Service. The office is still located there.

Top tune around the country in May of 1956 was Heartbreak Hotel by a rising star named Elvis Presley.

* * *

Murray Hills Road leading from Lemon Grove to Helix High School was re-opened 60 days ahead of schedule after being closed for one month to accommodate subdivision developers in La Mesa. The closing had caused several hundred Lemon Grove students who attend Helix High to take a "circuitous" route by way of Massachusetts avenue. Considerable inconvenience in added distance, added expense and danger resulted. The re-routing formed a dangerous bottleneck condition on University avenue where school and regular traffic converged. Closing was asked to permit moving of earth across the road by heavy road equipment.

Smokers Try Quit Therapy

Paradise Valley Hospital in National City concluded its latest "Five Day Plan" to stop smoking last week at "graduation" ceremonies.

The hospital offers a full rebate to persons successfully completing five days of abstinence from the evil weed tainence from the evil weed each month except June, July, August and December.

Participants pay a $10 fee which is refunded to "graduates" after the five days. Check up meetings are held nightly at the hospital.

NOTICE TO CONTRACTORS INVITING BIDS

The Spring Valley Sanitation District invites sealed bids for:
CONSTRUCTION OF
LA PRESA TRUNK — PHASE I
SPRING VALLEY SANITATION DISTRICT
PROJECT NO. YE0007

Bids will be received by the Clerk of the Board of Directors of the Spring Valley Sanitation District at the Office of the Clerk of the Board of Supervisors, County of San Diego, Room 306, San Diego County Administration Center, 1600 Pacific Highway, San Diego, California 92101 until 2:00 o'clock P.M., on June 3, 1976, at or about which time they will be publicly opened and read in the Chamber of the Board of Supervisors of the County of San Diego of said Administration Center.

Bids shall conform and be responsive to the Contract Documents for said work and must be accompanied by the security referred to therein. The Spring Valley Sanitation District, through its Board of Directors, reserves the right to reject any or all bids and to waive informalities or irregularities therein. Bidders are to submit a total bid on Bid Alternate "A", and/or Bid Alternate "B". The District reserves the right to award the contract based on the total amount of either Bid Alternate "A" or Bid Alternate "B".

Copies of the Contract Documents, including Plans and Specifications, are on file and may be examined at the Office of the Clerk of the Board of Supervisors, County of San Diego, at the above address. Copies of the contract documents, including plans and specifications, may be obtained from the Department of Transportation of the County of San Diego at Building 2, County Operations Center, 5555 Overland Avenue, San Diego, California, 92123 upon payment of $8.00 (plus tax) per set. Such payment will not be refunded and the contract documents, including the plans and specifications so obtained, need not be returned.

No award will be made to a Contractor who is not licensed under Chapter 9, Division 3, Business and Professions Code, or to whom a proposal form has not been issued.

In accordance with Section 6423 of the California Labor Code, these contract documents contain, where applicable, a bid item to provide, for trenches or open excavations which are five feet or deeper, adequate sheeting, shoring, and bracing, or equivalent method, for the protection of life or limb, which shall conform to applicable safety orders.

In accordance with Section 1770 of the California Labor Code, the Board of Directors has determined the prevailing basic rate of per diem wages, inclusive of fringe benefits, a copy of which may be seen in the Office of the Clerk of the Board as Document No. 502457.

The attention of Bidders is directed to the section of the Contract Documents which outlines Affirmative Action Requirements for equal employment opportunity.

At the time of submittal of the Bid, each Bidder must furnish to the District his completed and signed "Bidder's Certification." Prior to the award of any subcontract of $10,000 or over, the prime contractor must likewise obtain and furnish to the District a "Subcontractor's Certification" from each such prospective subcontractor.

In addition, attention is directed to the provision in these documents which stipulates that the District reserves the right to terminate, amend, or modify, at any time, any item or items of work as necessary to comply with State and/or Federal environmental requirements enacted after the contract has been entered into.

Bidders are cautioned that the District contemplates awarding but one contract for all items designated in the Bid Form for either Bid Alternate "A", or Bid Alternate "B", and that any proposal submitted must contain a bid for each item for either or both Bid Alternates, or it will be rejected as an insufficient proposal.

Additional requirements of the Labor Code with respect to workmen and rates are set out in the Special Provisions and are made by this reference a part of this notice.

Bidders must satisfy themselves by personal examination of the location of the proposed work and by such other means as they may prefer as to the actual conditions and requirements of the work and shall not at any time after submission of the bid or proposal dispute, complain or assert that there was any misunderstanding in regard to the nature or amount of work to be done.

All proposals or bids offered shall be on the forms of proposals and bonds as prepared by the District, and shall be accompanied by a certified or cashier's check, payable to the order of the Spring Valley Sanitation District, or a bond, as is required by law, for an amount not less than ten (10%) percent of the aggregate of the proposal.

The successful bidder, simultaneously with execution of the contract documents, will be required to furnish a Payment Bond for Public Works in an amount equal to fifty (50%) percent, and a Performance Bond in an amount equal to one hundred (100%) percent of the contract price, each secured from a surety company satisfactory to the District and on the form contained in the Contract Documents.

RESOLUTION OF INTENTION TO SELL REAL PROPERTY AND NOTICE OF INVITING BIDS
No. 25

On motion of Supervisor Conde, seconded by Supervisor Bates, be it resolved as follows:

1. Pursuant to Section 25538 of the Government Code, this Board of Supervisors declares its intention to sell, as is, where is, under the terms and conditions set forth herein, the following described real property inappropriate for park development and no longer required for County use, situated in the County of San Diego, State of California:
   The East 495 feet of the Southeast Quarter of the Northwest Quarter of Section 1, Township 17 South, Range 1 East, San Bernardino Meridian, according to United States Government Survey, containing 15 acres more or less.
   A complete legal description is on file and available for inspection at the Department of Real Property, 5555 Overland Avenue, San Diego, California 92123.
2. **Minimum Sealed Bid:** $10,300.00
3. **Bids:** Sealed written bids must be submitted on a form supplied by the County's Real Property Director, and the envelope containing the bid must be signed by the bidder. Said sealed bids will be received at the office of said Real Property, Director, Room 208, County Operations Center, 5555 Overland Avenue, Building 2, San Diego, California 92123, until 2:00 o'clock p.m. on June 9, 1976, at which time they will be publicly opened, declared and considered.

Anytime before the time schedule for formal bid opening, a bidder, upon proper application and identification to the Real Property Director shall have the right to withdraw his bid and the bid security shall be returned to said bidder. No written bid may be withdrawn after the time set for bid opening without the Community Services Administrator's approval and a bidder so withdrawing his bid may be held liable for damages and costs to the County incurred as a result of said withdrawal.

At the time and place said written bids are opened and declared, oral bids exceeding by at least 5% the highest written bid submitted will likewise be received from responsible bidders. All written bids and the highest oral bid shall remain open and subject to acceptance by the County's Community Services Administrator for a period of 7 days after written bids are opened and declared. The Community Services Administrator reserves the right to reject any and all bids and to waive any informalities in the bidding.

4. **Security Deposit:** Each sealed written bid and the highest oral bid, if any, must be accompanied by a security deposit in the form of cash or cashier's check, in an amount not less than $1500 as a guarantee that the successful bidder will enter into an escrow and pay the purchase price. All checks shall be made payable to the County of San Diego. The difference between the amount submitted as security deposit and the required down payment need not be presented at the time of opening and declaration of bids but must be deposited with the escrow holder prior to close of escrow. All bid security deposits shall be retained by County until selection of successful bid and shall be returned to unsuccessful bidders as soon as possible thereafter.
5. **Terms:** Down payment of cash in amount not less than 15% of the purchase price and a note for the balance of the purchase price to be paid in not more than 120 monthly installments with interest on the unpaid balance at the rate of 9 per year, secured by a Deed of Trust naming the County of San Diego as beneficiary. Should Trustor under said Deed of Trust further encumber, or convey the property described herein or any part thereof without written consent of County, all sums secured by said Deed of Trust shall become immediately due and payable.
6. **Escrow:** Within 10 days after acceptance of a bid, the County will open a escrow. The successful bidder shall pay all recording fees, documentary stamp taxes or other real estate transaction taxes or fees by whatever name known, including escrow fees.
7. **Title:** County will convey its right, title and interest in the property described herein by Quitclaim Deed. County assumes no liability for any other possible encumbrances either of record or not of record. No policy of Title Insurance will be furnished by County, and prospective bidders should consult local title companies if more complete information regarding the status of the title of said property is desired.
8. **Commission:** A commission not to exceed 5% of the purchase price will be paid by the County in accordance with Government Code, Sections 25527, 25530, 25531, and 25532 out of the proceeds of the sale to the licensed real estate broker(s) who is instrumental in obtaining the successful bid.
9. Be is further resolved that the

COUNTY OF SAN DIEGO
NOTICE TO CONTRACTORS

Sealed proposals will be received at the Office of the Board of Supervisors, Room 306, County of San Diego Administration Center, 1600 Pacific Highway, San Diego, California, 92101, until 2:00 o'clock P.M. on Thursday, May 27, 1976, at or about which time they will be publicly opened and read in the same building in the Board of Supervisors Chambers, for maintenance in accordance with the specifications therefor of portions of County Highways as follows:

SLURRY SEALING VARIOUS STREETS IN THE COUNTY OF SAN DIEGO, ROAD MAINTENANCE DIVISION I, WORK ORDER NO. 4C6068; S.U. 244

ENGINEER'S ESTIMATE

Item	Quantity	Description
1.	1.682 Tons	Slurry Seal

The foregoing quantities are approximate only, being given as a basis for the comparison of bids, and the Board of Supervisors does not, expressly or by implication, agree that the actual amount of work will correspond therewith, but reserves the right to increase or decrease the amount of any class or portion of the work, as may be deemed necessary or expedient by the said Board of Supervisors.

The Standard Specifications (Sections 1 through 9) of the Department of Transportation (formerly County Engineer Department) of the County of San Diego, dated August 1972, and Sections 10 through 95 of the Standard Specifications of the State of California, Business and Transportation Agency, Department of Transportation, dated January 1975, together constitute the Standard Specifications for this project.

In accordance with Section 1770 of the California Labor Code, the Board of Supervisors has determined the prevailing basic rate of per diem wages, inclusive of fringe benefits, a copy of which may be seen in the Office of the Clerk of the Board of Supervisors (Document No. 502457).

The attention of Bidders is directed to the section of the Contract Documents which outlines Affirmative Action Requirements for equal employment opportunity. At the time of submittal of the Bid, each Bidder must furnish to the County his completed and signed "Bidders' Certification". Prior to the award of any subcontract of $10,000 or over, the prime contractor must likewise obtain and furnish to the County a "Subcontractors' Certification" from each such prospective subcontractor.

Minority Business Enterprises will be afforded full opportunity to submit bids in response to this invitation, and will not be discriminated against on the grounds of race, color, sex or National origin, in consideration for the award.

All proposals or bids offered shall be on the forms of proposals and bonds as prepared by the County of San Diego and shall be accompanied by a certified or cashier's check, payable to the order of the County of San Diego, or a bond, as is required by law, for an amount not less than ten (10%) percent of the aggregate of the proposal. Additional Bidder's Bond Forms may be obtained at the Department of Transportation.

No award will be made to a Contractor who is not licensed under Chapter 9, Division 3, Business and Professional Code, or to whom a proposal form has not been issued.

The successful bidder, simultaneously with execution of the contract documents, will be required to furnish a Payment Bond for Public Works in an amount equal to fifty (50%) percent and a Performance Bond in an amount equal to one-hundred (100%) percent of the contract price, each secured from a surety company satisfactory to the Board of Supervisors, and on the form contained in the Contract Documents.

The Contract Documents, which includes Plans and Specifications, may be examined at the San Diego County Department of Transportation, Building 2, Room 184, 5555 Overland Avenue, San Diego, California, 92123. A copy of the Contract Documents may be obtained at said Office upon payment of $8.00 plus tax. If payment is made by check, it should be made payable to the "County of San Diego". NO REFUND WILL BE MADE.

A copy of the publication "Equipment Rental Rates" of January 1976 may be obtained at said Office upon request.

The attention of bidders is particular directed to the provisions of Sections 8-1.01 and 8-1.02 of the Standard Specifications regarding subcontracting and assignment of the contract, respectively.

The Board of Supervisors reserves the right to reject any or all bids, and the right to waive irregularities or informalities in any bonds or in the bidding.

Congressman Van Deerlin Gives Flag to S.V. Kiwanis

Presentation of a U. S. flag which has flown over the U.S. Capitol and a California State flag which has flown over the State Capitol was made to the Spring Valley Kiwanis Club by "Dusty" Rhodes, the Administrative Assistant to Congressman Lionel Van Deerlin, at the club's regular breakfast meeting recently.

The flags are to be used on the flagpole at the Spring Valley Park on Jamacha blvd. in the La Presa area of Spring Valley.

The flagpole was installed by Eagle Scout, Sam Shell of Boy Scout Troop 373. The troop is sponsored by the La Presa Elementary School PTA. Shell installed the flagpole for the Spring Valley Park as a Life Scout project and the S.V. Kiwanis Club arranged for the original presentation of the flags by Congressman Van Deerlin and Assemblyman Wadie Deddeh. The original flags have been worn out and the new flags are for replacement.

Scout Shell has since earned his Eagle Scout award and is currently acting as Junior Ass't. Scout Master of S.V. Troop 373 under Scout Master Craig Wagner.

Cranston Applauds SBA Expansion

U. S. Senator Alan Cranston (D., Calif.) former chairman of the Senate Subcommittee on Small Business, hailed as "a significant step forward" Senate action recently creating a full, independent committee to take over the Subcommittee's functions.

"Creation of a standing Committee on Small Business is recognition by the Senate of the vital importance of the small businessman to our economy," Cranston said.

The new committee's major responsibility will be to supervise the Small Business Administration which makes loans and gives financial counseling to small businesses — those doing under $1 million a year in sales and employing fewer than 500 people. The SBA, which has a $315 million operating budget, has about $2.5 billion in business loans outstanding.

He said that 97 per cent of all U. S. businesses are classified as "small". California has 1.1 million small businesses of the nation's total of 9.4 million.

Cranston said the nation's small businesses "account for 50 per cent of our private employment, 43 per cent of our business output and 33 per cent of our gross national product."

"In our economy, small business is big business. Small, free, independent businesses are the heritage of our past and the lifeblood of our future," he said.

Two Fundraisers For Cheryl Briggs

Cheryl Briggs, candidate for Supervisor, 2nd District, has scheduled these appearances this week:

May 20, 1 p.m. — Coffee. Hosted by Mr. and Mrs. Jay Elston, El Cajon.

8 p.m. — Reception at the home of Mr. and Mrs. Larry Hofer, Santee.

May 22, Noon — Fundraiser. Carlton Oaks CC. $5 person. Reservations 440-4878.

May 21, Noon — Senior Citizens Club, 3345 Sweetwater Springs blvd., Spring Valley.

Reagan Brings Campaign Here For Fundraiser

Republican Presidential Candidate Ronald Reagan plans to visit San Diego May 26-27, it was announced.

San Diego County Reagan for President Campaign Co-chairmen Norman C. Roberts and Mrs. Velma Farmer said the former California governor is scheduled to arrive at San Diego Airport at 9 p.m. May 26.

On the 27th Reagan will tape television and radio interviews, meet with members of the press, speak at a downtown campaign rally and attend a major fundraising event.

The fundraiser, a $100-per-person "Texas-style" cocktail reception at a La Jolla home, will climax Governor Reagan's visit.

Co-chairmen for the fundraiser, Mmes Gordon C. Luce, Robert E. Tyson, and William D. Evans, reported that the response to the reception has been "fantastic, beyond our expectations." Only a week after the first invitations were mailed some 200 persons had sent in checks, with more coming in every day, it was said. Persons wishing to attend the fundraiser should call 297-7200, or write to P.O. Box 81407, San Diego, 92138, for tickets.

The other highlight of Governor Reagan's May 27 schedule in San Diego is a downtown rally at the Community Concourse Plaza beginning at 4:15 p.m. The outdoor rally will include a public address by Reagan.

A crowd of Reagan volunteer workers and supporters will be on hand at San Diego Airport to welcome Reagan when he arrives.

He will be accompanied by members of his campaign staff and a contingent of national press covering his California campaign.

Kenrick Lists 6 Campaign Meets

Walt Kenrick, candidate for supervisor, district 2, has booked these engagements:

May 20, 8 a.m. — East County Board of Realty breakfast, Sears Community, El Cajon.

Noon — Candidate's meeting, Carlton Oaks CC, Santee.

May 21, 10 a.m. — Reception, home of Mrs. Rugenia Johnze, La Mesa

5 p.m. — Reception sponsored by Attorneys for Kenrick.

May 22, 5 p.m. — Fundraiser at the home of Mike Piastro, Jamul.

May 23, 2 p.m. — Open House reception, 1043 Big Red rd., Alpine.

Candy Heaven

Milk Duds, Abba Zabba, Sugar Babes, M&Ms, Big Hunk, and all the names that sweeten a youngster's dreams, made up the loot of a burglar May 1 at the Cajon de Oro Minor League Park at 3900 Conrad dr., Spring Valley.

The candy, worth $200, was taken during the night hours, it was reported. The culprit removed a lock from a door, tore a hole in the plasterboard wall, and came out as a candy junkie.

Adult Students to Show Class Progress At Mt. Miguel Center 'Open House'

Mt. Miguel Adult Center will hold its annual "Open House" at the Lemon Grove First Baptist Church, Main and Burnell from 11 a.m. to 8 p.m. on Tuesday.

This showing of student work is open to the public. There will also be demonstrations during the day and a Fashion Show of garments made by students, commencing at 7 p.m., preceded by selections from the women's Choral Group.

Displays include: needlepoint, crafts, quilting, drawing and painting, photography, clothing, wigs and hair pieces, food preparation, ceramics, pattern adjustment, jewelry making, home maintenance, wood working, rug making, crocheting and others.

Mt. Miguel Adult Center is part of the Grossmont Union High School District, enrolling over 17,000 adult students this year. The classes displaying exhibits represent only a small portion of the over-all program which includes academic courses leading to a high school diploma, English as a Second Language, Citizenship and vocationally oriented courses.

Mt. Miguel Adult Center can be reached at 469-6169.

Rehab. Dept. Calls Severe Disabled Most Deserving

Greater benefits to Californians are generated from the rehabilitation of severely disabled than are derived from providing the service to the mildly disabled, a report to the Legislature by the California Department of Rehabilitation indicates.

State Rehabilitation Director Ed Roberts pointed out in the report that not only was his department's priority system of providing service first to more severely disabled mandated by the Federal Rehabilitation Act of 1973, but "has been fiscally necessitated by funding problems."

The department no longer provides rehabilitation services to new mildly disabled clients who do not meet the priority criteria. It does, however, continue to provide services to the moderately disabled.

"Most of the mildly disabled do not need the comprehensive rehabilitation services offered by the Department. To provide the service to the less severely handicapped would cost nearly $14 million," Roberts said.

However, he added that many of the mildly disabled do need services from other social and educational institutions and that the Department of Rehabilitation will help to obtain them.

Roberts, in the first of two reports to the Legislature on the effects of the new priorities for rehabilitation services, stated there are 200 thousand severely disabled citizens in the state of California, half of whom could be made productive if given the services of this Department.

"These citizens, despite their ability to perform useful tasks, have been left out of the mainstream of society," he said. "We are convinced that rehabilitation of the most severely disabled provides a higher return to society, both in monetary benefits and in satisfaction for equity and justice. Not only Federal law but the philosophy of this Administration as well requires that we help those who are in most need of our assistance.

In the report, the Department pointed out that the disabled population in need of rehabilitation is increasing by an estimated 40,000 cases a year while only 30,000 per year are being closed.

Would Be President

Dear Editor:

Would you like to interview a new presidential (Independent) candidate?

The reason I should be president is simple. I understand the problems and know how to solve them permanently.

The problems of inflation, recession, energy, pollution, poverty, crime and unemployment must be dealt with as the economy as a whole.

My plan: rebuild our highly centralized and wasteful economy into a decentralized and steady-state economy.

Decentralized: elimination of dependence on big business without eliminating big business.

Steady-state economy — an economy in which available resources do not diminish with time.

The key: solar energy which will solve the problem of decentralizing dependency on big business and a steady-state economy.

We have lacked the leadership and planning necessary to bring about these desired results. I can provide them.

Panama Give-away

Dear Editor:

Here are some clippings from the ARIZONA REPUBLIC (daily newspaper) in which Barry Goldwater is taken to task for his stand on the Panama Canal. In the editorial the REPUBLIC takes Goldwater to task for criticizing Ronald Reagan because Reagan denounced the present administration's plan to give to Panama the American territory in the Canal Zone.

The REPUBLIC notes that Goldwater, himself, had signed a Senate Resolution denouncing the "surrender" of the Panama Canal on March 4, last year.

It seems to me that we could give back Alaska to the Russians; Texas, New Mexico, Arizona and California to the Mexicans.

Most of the people I talk to are against any give-away program like this.

Where do we draw the line?
